Dear Ms. Moreno:

Please help us file a motion to vacate for an Extension of Time. We are awaiting feedback from our insurance company on this matter. The following facts follow;

1. I am the owner of ABC Credit & Recovery Services Inc.
2. That I was made aware of the order setting the time to file a Motion to Vacate until June 22, 2023.
3. I sent the complaint to my insurance company for handling.
4. I do not have a response from my insurance company on this and the best way to defend the action
5. I am requesting that the technical default be vacated and that ABC Credit & Recovery Services, Inc. have 30 days to have counsel file responsive pleadings.
6. This is not being filed for purposes of delay or harassment.

Sincerely,

Joseph M. Speziale
